Three
Easy
Steps!

1

Choose shirt color. Send Order Form to parents.

In your packet you will find the Order Form. In the spaces provided, write the school name and the color of t-shirt that you have chosen: red, royal blue, purple, orange (Kelly green and turquoise while supplies last). Make copies and send home to parents.

The **Minimum Order** per classroom is **18 shirts**. Checks from parents should be **payable to your school**. Deposit checks with your school office or PTO. Then the school should issue a check to Rocky Mountain Shirt Company. Make sure to **enclose the check** with your order.

2

Draw!

Included in the packet, you'll find an 11" x 17" grid paper. Have each child draw themselves and write their name below their picture. **USE ONLY A BLACK ULTRA FINE POINT SHARPIE MARKER.** If a child needs to redo their drawing, use a small piece of paper and attach the new drawing using double-sided tape. If a child draws with pencil and the teacher traces over it with a marker, **ALL PENCIL MARKS MUST BE ERASED.**
